

DAY WINS OVER 60'S TRIPLES

Rick Day (Rangiora), skipping a composite team which included fellow club player Mike Newman (lead) and Roger Norton (Halswell) were comfortable winners of the Bowls Canterbury Over 60's Triples completed on the New Brighton Green which finished on Tuesday.

The final won by Day's team 17-7 was completed with two ends unplayed against another composite team of Jim Stenhouse (Papanui Club), Peter Dolheguy (Papanui Club) and Malcolm Cross (Belfast).

Day's side began well and led 9-0 after 5 ends and the game was effectively over 2 ends later when a five increased the margin to 14-2. Stenhouse's team tried hard with 4 shots over the next four ends but Day was equal to the task with a 1 and a 2 and the game was conceded after 14 ends of the 16 end final.

The final was in marked contrast to both of the semi finals where Stenhouse's team in particular had played particularly well against Murray Hill's team from Burnside and Day's team whilst winning by 7 shots was a closer contest than the score indicated against Grant Evans from Bowls Oxford.
