

INTERCLUB BOWLS

Sevens: With Mens Division One playing 2 rounds to compensate for many bowlers playing in the Quadrangular rep fixture Round 2 which had been postponed from the 12th November was played.

In Division 2 Section One Riccarton Racecourse has moved two points clear of Kaiapoi Riverside after winning 6-0 against Beckenham. Kaiapoi Riverside however have a game in hand still to be played against Belfast.

In Section Two Burnside lead on 18 points, two clear of Darfield with Barrington United third on 15 points. Byes don't look likely to effect overall positions amongst the leading teams with Barrington United's seventh round game against Darfield likely to decide the overall winner with Burnside to play two away games in their last two games against Darfield and Rangiora.

Three Fours: Round 5 was completed over the weekend with front runners Woolston Park in Division One going down in their away game with Allenton 8-3. Sumner moved up the field significantly after beating Burnside 11-0. Woolston Park remain well clear however on 33 points, eight clear of Bowls Papanui and Allenton on 25.
